## Notes

### Responsive Design

All Clicktcreate websites are responsive design websites, they are compatible across devices i.e. desktop PCs, Mobiles, I-Pads etc.

### Basic SEO

Includes on-page optimisation :

- Keywords in Title Tags
- Keywords in Description Meta Tags
- Keywords in H1, H2 and H3 Tags
- Hyperlink Optimisation
- Image Optimisation
- Sitemap.xml for Google & Bing
- Robots.txt for Google & Bing
- Google Analytics & Webmasters Tools Setup
- Bing Webmasters Tools Setup
- Google Rich Tag for Contact Us

The above activity should bring up your website for location specific keywords such as "dentist in mulund west", "architect in dadar east", "ca in malad west", "labour lawyer in matunga west" and start generating traffic for your website.

### Unused Content

Clicktcreate websites are ready to launch and come ready with default content. Obviously the content is allowed to be used on websites of many other clients like You. However if you do require unused content i.e. content specifically written for you by our professional content writing team then please place your request on [support@clicktcreate.net](mailto:support@clicktcreate.net). Alternatively you may select our professional package which only has unused content and we will not use that content for any of our other clients.

### Social Media Pages Creation

We open your account on : 1. Facebook 2. Twitter 3. LinkedIn 4. Google+

And also create professional pages for your company/firm/clinic so that your brand image on social media is created.

### Terms & Conditions

- The minimum contract period is for 12 months unless stated otherwise and given to you in writing by EchoFeel official representative.
- The content that you upload on the website directly from the back end admin control panel is your responsibility. Make sure the content i.e. text and images do not infringe any copyright laws. It is recommended that you get the content written from a professional content writer and source/buy images from a trusted source only. Warning : "Copying and pasting content directly from the internet could infringe copyright laws".
- We guarantee an uptime of 99% for your website.
- Support will be provided through our support portal where you will be able to open and trace tickets. If you do not get a response, you can send us an email at [noreponse@clicktcreate.net](mailto:noreponse@clicktcreate.net) and we will immediately act on it. We will give you a call within 24 hours of you writing us an email. You are requested to read our instruction manual carefully and ask queries to our support team at the support hotline number.
- Since our registered office is in Mumbai, all disputes arising out of contracts will be within the Mumbai jurisdiction only.
- The content including the text and images are the exclusive property of Clicktcreate and are intended for your website use only.
- We constantly endeavour to keep abreast of the latest happenings in technology and we will upgrade your web applications automatically so that it is compatible with all the latest technological innovations. But we cannot guarantee a time frame for the upgradation.
- In case you want additional features included for your web application, then please send us a request through our Support Portal or email us at [support@clicktcreate.net](mailto:support@clicktcreate.net) . We will quote and after your approval and as per the agreed payment terms go ahead and carry out the development.
- If you do not renew the contract within 3 days from the date of expiry, we will assume that you no longer wish to continue, and we will deactivate the website and the emails on the 4th day. We will provide you with 3 reminders each on your mobile through SMS & also email before the expiry of the contract.
- You may request us to hand over to you, your web application to be hosted on another server. Note that this may incur costs. We simply provide files/folders and also login details of your domain (if hosted with us) for domain management, by email only. Also note that we cannot provide you with the content management engine when you are transferring the website on some other server.
- We are not liable to give you a source file since that is a part of our intellectual property.

### Cancellation Policy

- If you wish to cancel your subscription, then if you cancel it within 3 days, we will deduct 30% of your invoice value and refund you the balance amount. We will also handover your domain control panel if the domain has been booked by us.
